

Services

Feel Lighter. Look Brighter. Be Ageless.

A private, joint-friendly, menopause-aware online wellness program for Bangladeshi women 40+ — and women at any age — followed from home. This list covers the digital services on the website. It does not include physical products, book pages, coming-soon features, or demo-only add-ons.

Flagship program

Ageless by Tulee is a **holistic guided wellness program**. Members follow tailored exercise routines and diet plans, join weekly meetings for encouragement and guidance, and measure progress from home on phone, tablet, or laptop.

Access is a **one-time payment** for 1, 3, or 6 months (not a subscription). The flagship path is a 6-month journey. During pre-order, Bangladesh customers pay by bKash; card and international visitors can join the free waitlist.

PLAN	PRICE	NOTES
1 month	\$49.99 / ₳4,999	One-time access
3 months	\$59.99 / ₳5,999	Early-bird pricing on the site
6 months	\$74.99 / ₳7,499	Best value / longest term

All paid terms include the workout library, nutrition tracking, and progress tools for the duration of the chosen term.

Core services for members

1. Clinically designed workouts

Follow-along video workouts, scaled for the menopausal body: joint-safe, progressive, and done from home. No gym required.

- Six monthly programs; each month is a 7-day routine (6 workout days + 1 rest day) that repeats, then progresses
- Low-impact modifications for every exercise
- Gentle start that builds over 6 months
- Bodyweight follow-along format — press play and move
- Sessions typically 15–45 minutes

Workout styles on the site: yoga, aerobics, toning, strength training, mobility, HIIT, abs, stretching, healing, balance, chair workouts, partner workouts, meditation, and pranayama.

MONTH	THEME	FOCUS
1	Gentle Reset	Low-impact movement, mobility, joint prep
2	Energy & Glow	Longer sessions, light resistance, steadier energy

MONTH	THEME	FOCUS
3	Tone & Mobility	Guided strength and mobility plus Bangladeshi nutrition tracking
4	Slimmer & Lighter	Progression and portion awareness, no crash dieting
5	Radiance & Resilience	Balance, posture, calm, confidence
6	Be Ageless	A continuation routine you can keep

On the member dashboard this lives under **Programs** (“This Week’s Workout”). Members can mark days complete and see monthly progress.

2. Menopause-aware Bangladeshi nutrition tracking

A food tracker built around everyday Bangladeshi meals rather than Western-only databases.

- 100+ pre-loaded Bangladeshi foods (dal, rice, curry, roti, and similar)
- Calorie and macro goals (protein, carbs, fat) set for the member’s body
- Log breakfast, lunch, dinner, and snacks
- Weekly trend analysis
- No crash diets and no risky supplementation positioning

On the member dashboard this lives under **Food Log & Nutrition**.

3. Custom meal plans

Digital, goal-based meal plans using natural, whole foods members can customise.

- 50+ pre-built plans by goal and diet type
- Meal swaps and customisation
- Weekly expert articles and guides (as described on the sales pages)
- Emphasis on practical Bangladeshi food, protein, fiber, and portion awareness

4. Progress and accountability tracker

Structured logging so members can see change over time.

- Weight, body fat, and 8+ body measurements
- Weight trend chart
- Progress photos with side-by-side comparison (described on the sales pages)
- Trend charts over 1, 3, and 6 months
- Milestone badges (described on the sales pages)
- Personal nutrition and measurement goals

On the member dashboard this lives under **Progress & Measurements**.

5. Coaching, community, and platform

- Personal guidance from **Coach Tulee** (35+ years of coaching)
- Biomedical design input from co-founder **Leon**
- Weekly meetings for encouragement and guidance (described on the homepage)
- Private online member area
- Member account for profile and preferences
